PRESENTATION SUPPLIES: Tabletop Display Board

Folding Portable Tabletop Display Unit - Acco SB93513Q

Simply remove and unfold the lightweight, trifold panel from the standard fabric carrying bag, and place on table top. The two-sided panels are gray on one side and blue on the other, making them adaptable to any display environment, and are lightweight and easy to carry. Use latch and key fasteners, tape, tacks or push-pins for easy attachment of display materials. Perfect for trade shows, lobbies, professional offices, schools or anywhere you need to display information. This 3-panel system can be used as a single tabletop display, for a floor presentation or paired with another 3-panel system to form a taller 6-panel floor display. An optional matching header panel is also available.
